My Account

- Everything you will need to do can be done from My Account. Although part of a team, each person will need to register and create their own individual page to raise pledges. All the fundraising tools and downloads are available in My Account and the FAQ tab.
- From My Account you can personalize your page, upload your address book, send email, track donations, send thank you emails and post messages to the team. By clicking on the “My Team” button you can view the team’s page and progress.
- *Just a note...the team goal will automatically be a sum of each individual person’s goal and will only be displayed on the team page.*
